

React Health Standard Terms and Conditions of Sale

These Terms and Conditions of Sale ("Terms") are intended to govern the relationship between React Health, formerly 3B Medical, Inc. ("React Health") and any person or entity that resells React Health products ("Customer"):

1. Acceptance of Seller's Terms and Conditions

Customer's purchase of React Health products ("Product(s)") shall be governed solely by these Terms and any specific terms of sale agreed to in writing by React Health. By placing an order for the purchase of Products with React Health, Customer agrees to abide by these Terms. Any terms or conditions in a purchase order or other document submitted by Customer which differ from these Terms are not binding on React Health unless accepted in writing by a duly authorized representative of React Health. Customer is hereby notified in advance of React Health's objection to any proposed additional or different terms or conditions. In the event of a conflicting supremacy clause in any purchase order or other document submitted by Customer, this Section 1 shall govern.

2. React Datalink™

The React DataLink wireless data sharing device is manufactured by Bridge-Tech Medical ("OEM") and distributed by Ventec Life Systems d/b/a React Health ("Ventec"). The React DataLink requires a Cellular Plan ("Cellular Plan") subscription to enable wireless connectivity, as described in section 3(a).

The Cellular Plan is available from Ventec Life Systems, Inc d/b/a/ React Health to the buyer ("Buyer"). This Cellular Plan is effective as of the date of the invoice (the "Effective Date") for purchased React DataLink devices, for a period of one year (the "Product"). This Cellular Plan provides cellular data service to support the wireless data sharing functionality of the React DataLink device and is required for access to the Multi-View Connect™ web portal. The Multi-View Connect portal is available at multiviewconnect.venteclife.com.

3. Price

The purchase price for each Product shall be the price for such Product in effect at the time of React Health's receipt of Customer's purchase order for such Product. React Health may change prices on any Product at any time without prior notice, except for changes to orders that have been accepted by React Health before the change.

- a. **React Datalink Cellular Plan:** The React DataLink Cellular Plan will be priced per unit of Product and assigned to a specific React DataLink unit. The foregoing price does not include sales, use, excise or similar taxes or duties. Buyer shall pay these taxes directly if the law permits or will reimburse Ventec if it is required to pay them. Buyer will provide tax exemption certificates or evidence of tax payment on request. Payments shall be due net thirty (30) days from the date of invoice. Any payment (or portion thereof) due Ventec from Buyer that is past due shall bear interest at a per-annum rate of the prime rate as published in The Wall Street Journal, Eastern Edition, plus one (1) percentage point, provided in no event shall said annual rate exceed the maximum rate permitted by law with regard to such payments, calculated based on the date such payment is due through and including the date upon which full payment is made.
- b. **React Datalink Cellular Plan Coverage Term:** The React DataLink Cellular Plan Term begins upon the Effective Date (Invoice Date) and ends one year after the Effective Date.
- c. **React Datalink Cellular Plan Renewal:** The React DataLink Cellular Plan Term may be renewed with the purchase of an additional year of plan service from Ventec.

4. Size of Order

Orders under One Hundred Dollars (\$100) will be accepted at React Health's discretion and confirmed in writing by React Health. If accepted, a \$15 special handling charge will be added to the invoice.

5. Shipping

All Products are shipped from React Health's warehouses (FOB Origin). Freight charges will be prepaid by React Health and added to Customer's invoice. Title and risk of loss for Products pass from React Health to Customer at the time of shipment from React Health's warehouse. REACT HEALTH SHALL NOT BE LIABLE FOR ANY DAMAGES, WHETHER

INCIDENTAL, CONSEQUENTIAL, OR OTHERWISE, FOR FAILURE TO FILL ORDERS, DELAYS IN DELIVERY, OR ANY ERROR IN FULFILLING ORDERS.

6. **Inspection and Acceptance.**

ALL PRODUCTS MUST BE INSPECTED WITHIN FIVE (5) CALENDAR DAYS OF RECEIPT. IF ANY DAMAGE IS DISCOVERED, A CLAIM MUST BE FILED WITH THE CARRIER. A FULL REPORT OF THE DAMAGE MUST BE FORWARDED TO REACT SO THAT IT CAN ARRANGE FOR REPAIR REPLACEMENT OR CREDIT.

7. **Changes/Cancellation of Customer's Order**

React Health will use commercially reasonable efforts to ship all orders as soon as reasonably practical. Changes to orders or cancellations must be communicated in writing to React Health before React Health ships the ordered product. If not received before shipment, React Health reserves the right to demand payment for the original order.

8. **Payment Terms**

- a. The terms of payments are net thirty (30) days from the date of invoice. Should the Customer's account go into default at any time, React Health reserves the right to place Customer on cash terms, place a hold on future orders until the account is brought current, and/or not honor warranty replacements.
- b. If Customer desires to pay by credit card, it may authorize React Health to keep its card number and information on file and must execute and deliver to React Health an authorized signature form on a form furnished by React Health. A surcharge or convenience fee will be assessed on all credit card transactions. ACH (Automated Clearing House) and EFT (Electronic Funds Transfer) are also acceptable payment options. A special form will be required to properly set up these payment methods.
- c. If invoices are not paid within 30 days, React Health will assess a late charge of 1.5% per month.
- d. Should Customer account be placed with a collection agency, Customer is responsible for all expenses relating to the collection of their debt including legal fees and any collection agency commission.
- e. All payments due to React Health shall be made in United States dollars.
- f. If Customer submits payment for an invoice and there remains a balance for that Customer from an earlier invoice, React Health reserves the right to apply that payment toward that earlier invoice.
- g. Customer account must be in good standing and not have overdue invoices when placing new orders. React Health will be at the discretion to not accept additional customer orders if the customer account balance is determined to be overdue.
- h. Overdue balances put any further product fulfillment at risk until customer account is brought current and overdue balances are paid.

9. **Returns**

- a. If React Health is not notified of any discrepancy in an order (for example, over shipments, under shipments, short shipments, failed delivery, damaged goods, duplicate orders, late shipments) within five days of receipt of the shipment, will understand that you are satisfied, and the order has been accepted as shipped.

- b. All returned items may be subject to quality, operation, and/or performance tests by React Health or by a third party authorized by React Health. Returns must be approved by React Health and shipped at the Customer's expense.
- c. ACCEPTANCE OF RETURNS, SUBJECT TO RESTOCKING FEES, IS AT THE SOLE DISCRETION OF REACT HEALTH.
- d. Returned items will only be accepted in their original unopened and unmarked packaging and still in saleable condition.
- e. Discontinued Products and Products as to which React Health represents in writing to Customer that are in high demand will not be approved for return under any circumstances.
- f. A copy of the original invoice must accompany any return.
- g. Actual shipping charges will be charged to the customer. If the customer requests expedited shipping, the actual freight charges will be invoiced to customer. Shipping charges will not be refunded under any circumstances. Any need for special handling services must be communicated at the time an order is placed. Customer is responsible for the cost of all special services handling charges.
- h. Returned Merchandise Authorization (RMA) Policy: All returns require prior authorization which includes RMA # and must be returned in the original packaging with all cables, accessories, and documentation, including manuals. To request an RMA for product return, please either create an online support ticket at www.ReactHealth.com or contact React Health by phone at 863-226-6285. Once a support ticket has been created, Customer will be given an RMA number. This number must be clearly written on the outer packaging of the merchandise being returned. A call tag will be issued for items to be picked up and shipped back to React Health. Please keep the RMA number and reference it when calling to check on the status of your return. Incomplete or unauthorized returns will be refused and returned to Customer at Customer's expense.

10. Refusal of React Health Shipment

- a. Purchase orders received and accepted by React Health are contracts between Customer and React Health
 - i. Per Section 1, Customer's failure to cancel its purchase order in accordance with the provisions of Section 5 shall constitute Customer's acceptance of these Terms.
 - ii. Section 5 requires the Customer to communicate any changes/ cancellations with React Health prior to product shipment.
 - iii. Per Section 4, Title and Risk of Loss for Products passes from React Health to Customer on shipment from React Health's warehouse.
- b. Refusal of a React Health shipment is not allowed and is strictly prohibited.
- c. Any attempt to refuse React Health's shipment will result in the following charges to Customer, and Customer agrees to accept and pay the following charges:
 - i. Actual Full Roundtrip Shipping Costs - Actual total shipping costs from React Health's warehouse to Customer and actual total return shipping costs to return Product back to React Health's warehouse, and a 50% restocking fee.

11. Warranty

- a. Warranted products are in accordance with, and limited in all respects to, specific warranties contained in the product insert

for each such product.

- b. **Warranty Limitations:** There are no expressed or implied warranties except as listed herein. React Health shall not be liable for special, incidental, consequential or punitive damages, including, without limitation, direct or indirect damages for personal injury, loss of goodwill, profits or revenue, loss of use from this Product or any associated equipment, cost of substitute equipment, downtime cost, loss of data, programs or business information, or any other losses, or claims of any party dealing with buyers from such damages, resulting from the use of or inability to use this Product or arising from breach of warranty or contract, negligence, or any other legal theory. Moreover, React Health's warranty does not cover installation or service of Product; conditions resulting from consumer mishandling, such as improper maintenance or misuse, abuse, accident, or alteration; all plastic surfaces and all other exposed parts that are scratched or damaged due to normal use; Products which have had the serial number removed or made illegible; Products rented to others. All warranties, including any applicable warranties of merchantability and fitness for a particular purpose, are limited to the applicable warranty period.
- c. EXCEPT FOR THE LIMITED WARRANTY REFERENCED IN SECTION 11(a), REACT HEALTH DISCLAIMS AND EXCLUDES ALL OTHER REPRESENTATIONS AND WARRANTIES, EXPRESSED OR IMPLIED OF ANY TYPE, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ANY REPRESENTATION OF WARRANTY AS TO THE DESIGN, CONDITION, QUALITY, CAPACITY, MATERIAL, OR WORKMANSHIP OF REACT HEALTH PRODUCTS.
- d. Ventec Life Systems ("Ventec") warrants VOCSN devices (and each of its five components [depending on model]—the ventilator, oxygen concentrator, cough therapy, suction, and nebulizer, in any therapy configuration) to be free from defects in material and workmanship and to meet the published specifications for two (2) years or 10,000 hours, whichever occurs first, according to the Terms and Conditions outlined in the 2-Year Standard Warranty. Ventec warrants the React DataLink to be free from defects in material and workmanship for a period of one (1) year. The liability of Ventec is limited to replacing, repairing, or issuing credit, at the discretion of Ventec, parts that are defective or fail to meet published specifications during this one-year period. Rural areas or certain types of building materials may impact cellular availability. Ventec is not responsible for coverage of cellular service. To support customers who experience limited cellular service, the React DataLink can store up to 30 days of data that can be uploaded the next time the React DataLink is connected to a cellular network.

12. **Intellectual Property Ownership**

Customer will have no right to or interest in any React Health intellectual property, including patents, trademarks, copyrights, and/or trade secrets.

13. **Confidentiality**

React Health may disclose confidential information to Customer, including Product pricing, new product information, and invoice terms. Customer will not use this confidential information without React Health's prior written consent unless Customer is subject to legal process or if Customer can demonstrate that the information was already known to, independently developed by, or publicly available to Customer before React Health's disclosure. If disclosure is required by law, Customer agrees to provide prompt notice to React Health before Customer makes any disclosure of that information.

14. **Force Majeure**

React Health shall not be liable to Customer or any other person or entity by reason of delay in performance, or non-performance, caused by circumstances beyond the reasonable control of React Health, including, but not limited to, acts of God, fire, flood, war, government regulation/direction/request, accident, labor trouble, pandemic, shortage of or inability to obtain material, component parts, equipment, or transportation. In addition, React Health shall not be liable for any delay in filling any order for Products caused by these conditions.

15. Discontinuance of Products

React Health may, at its option, modify or discontinue any Product or accessory, including, but not limited to, discontinuance for obsolescence, substitution, or sale by React Health of a Product line.

16. Sales Compliance

Unless authorized by React Health in advance, all sales by Customer are subject to these conditions and the violation of any part of this section shall void any expressed and implied warranties where permitted by law:

- a. Customer represents and warrants that Customer will abide by all applicable laws related to the sale of the Products, including the disclosure of discounts or rebates on Products reportable to government reimbursement programs, and will maintain all applicable licenses as required by law.
- b. Customer further agrees to:
 - i. comply with all applicable laws, regulations and accreditation standards relating to the purchase, storage, use, and tracking of the Products.
 - ii. promptly inform React Health of any known complaint involving injury, safety, Product performance, or adverse event involving Products.
 - iii. use best efforts to obtain Products subject to any complaint or recall in this section and return such Products to React Health or its agents.
 - iv. maintain records of serial and or batch numbers of Products with the relevant end user for a minimum of five years from the date of sale.
 - v. Import/Export: If Customer is outside the United States and approved by React Health to import Products at the final intended destination, then Customer will be responsible for obtaining required import licenses and making proper customs entry for the Products. For routed export shipments out of the United States, Customer is responsible for meeting applicable United States export regulations and declarations. Customer is not permitted to re-export any React Health Products from the destination country.
 - vi. Customers located in the United States ("US Customers") are not authorized to resell, rent, or in any other way distribute React Health Products outside the United States without prior authorization.
 - vii. Comply with React Health's following Policy for the Advertisement of React Health's Products by US Customers:
 - a. Definitions:
 - i. **MSRP:** Manufacturer's Suggested Retail Price
 - ii. **MAP:** Minimum Advertised Price
 - b. **Appropriate Prescription:** Because prescription products are not to be sold to patients without an appropriate prescription, each Advertisement of a React Health prescription product by a US Customer must legibly and prominently state the following ("Prescription Statement"): *"A valid prescription is required for the purchase of this product"*.
 - c. React Health reserves the right to enforce the MAP policy.
 - i. If no MAP is defined for an item, the item may be sold at any price.
 - ii. MAP Pricing can be obtained by sending an email to: Info@ReactHealth.com.
 - iii. An MSRP is defined for each product code, but no vendor is required to sell at the **MSRP**.

17. Governing Law and Consent to Jurisdiction

This Agreement will be construed in accordance with and governed by the laws of the State of Florida. Venue and jurisdiction for any action brought related to the sale, purchase or use of Products sold by React Health Medical shall be

in the state or federal court for Polk County, State of Florida. The parties agree that service of process may be effectuated by delivery to the address used for written communications. If React Health brings an action for any relief or collection against Customer arising out of these Terms and Conditions, Customer will be responsible for reasonable attorneys' fees and costs actually incurred in bringing such action.

18. Entire Agreement

This Agreement is the entire understanding and agreement of you and React Health regarding its subject matter, and supersedes any prior oral or written agreements, representations, understandings or discussions between you and React Health.

19. Notice

All notices or communications required or permitted by Customer under these Terms or any other agreement between React Health and Customer will be given in writing and sent by email to orders@ReactHealth.com and by United States registered or certified mail with postage prepaid and return receipt requested or by overnight delivery service (e.g., Federal Express, UPS, and DHL) to React Health at the following address: ATTN: Accounts Receivable Department | 500 Fruitville Rd., Suite 200 | Sarasota, FL 34232.

20. Non-Waiver

Failure of React Health to insist on strict performance by Customer of any term or condition of these Terms at any time shall not be construed as a waiver by React Health of such performance in the future or of the waiver of any other term or condition contained herein.

21. Severability

If any provision of these Terms shall be declared invalid or illegal for any reason whatsoever, then notwithstanding such invalidity or illegality, the remaining terms and provisions of these Terms shall remain in full force and effect in the same manner as if the invalid or illegal provision had not been contained in these Terms.

22. Reservation of Right to Modify Terms

React Health reserves the Right to modify, from time to time, these Terms; provided, however, that such modified Terms shall only apply to purchase orders received from Customer after the effective date of such modified Terms.

23. Special Conditions for Bi-Level Sales

React Health requires the Customer to have appropriate medical personnel on staff to support patient training and follow-up. Such personnel include, but are not limited to, credentialed respiratory therapist, credentialed nursing personnel, credentialed sleep technician, physician's assistants, or employees specifically trained in the use, operation and setting of bi-level devices pursuant to a physician's prescription.
